

Payments and Fees/Tuition:

Tuition can be paid two ways, either with a credit card or with postdated checks dated the 1st of each month. Check should be made to **JKT**. The first and second months of checks must be received upon registration to reserve class time. All NSF checks will be charged \$25 NSF fee.

Should a class be cancelled due to weather or other unforeseen circumstances, or should a student miss a class because of illness, a make-up class can be scheduled within one month. Please call the office so the instructor can be notified of the make up. *Tuition refunds are not given for missed classes.*

Withdrawals and Refunds:

There is a two month minimum for lessons. One month notice from the first of the month is required to discontinue training. Withdrawals must be notified to the school office and not with the teacher. Withdrawals must occur within the first 7 days of the month. JK Tae Kwon Do reserves the right to terminate training to any students without notice.

Instructor Absence/Snow Days:

If classes are cancelled due to instructor's absence there will be a make-up class offered or a substitute instructor will be provided. The club will not necessarily be closed for snow days, so please call the school office for class information.
